WE WOULD GLADLY

**Give \$100**

If we could write an advertisement, or put up a talk that would convince every prospective purchaser of a buggy in this end of the state that we are positively selling the

**Highest Grade Buggy**

That is sold in this section. The fault is with us and not the buggy. We have that very thing and are proving it with the

**Broadest Guarantee**

You ever had given you on any vehicle you ever bought. We know it doesn't make any difference to you why we can sell at such extremely low prices but it does to some people. We heard last week that a buggy man said we must steal our jobs and get them shipped "DEAD HEAD" by the railroad. However, that may be, we leave you to judge.

**You Get the Benefit**

Of it in keeping a large per cent. of the profit in your pocket.

### THEY PAID UP.

Candidates For Congress Put Up Assessments For Expenses.

A. O. Stanley Gets the First Place On the Ballot and E. P. Taylor Last.

Henderson, Ky., July 1.—The Democratic congressional committee for the second district, met here at two o'clock this afternoon to receive the assessments of the candidates and attend to other matters.

The three candidates, E. P. Taylor, J. B. Brasher and A. O. Stanley, were present, and each put up his part of the required \$2,000.

In the drawing for places on the ballot, Stanley got first, Brasher second and Taylor third.

The printing of the ballots was placed in the hands of Chas. M. Meacham, of Hopkinsville.

There was nothing done about changing the day of the primary from August 2.

All of the committeemen were present in person or by proxy except Geo. V. Green and T. A. Pedley. The committee will meet at Dawson August 9 to canvass the returns and declare the result.

### IN PRISON.

Hopkinsville Endeavorers Left for Eddyville This Morning.

Members of the Endeavor Societies of the First Presbyterian, Christian, Episcopal and Cumberland Presbyterian churches left on the E. C. train this morning at 5 o'clock for Eddyville. They will conduct an all day service in the prison for the inmates. Great good has been done by the prison work in this state since it was organized six or seven years ago. Then the Endeavorers did not meet with a very warm reception by the officers of the prison. But now it is entirely different. The prisoners in large numbers have joined the societies organized at Frankfort and Eddyville, and so great has the change been in the conduct of the prisoners, that it is quite common for the Christian workers to be invited by those having control of the unfortunates to visit the institution.

We have been able to secure the names of part of those who went to Eddyville this morning, to-wit: Rev. H. D. Smith, of the Christian church, Miss Jennie Glass, Secretary of the Prison Work committee of the State; Mr. D. F. Smithson, Miss Clara Bonte, Rev. Abbott, rector of Grace church; Mr. A. M. Wallis, Miss Graeme Campbell, Mr. Chas. Anderson, Miss Maggie Hill and Mr. Trigg Hunter.

### Stowe-Hord.

Miss Nettie Hord, the pretty and popular daughter of Mr. J. G. Hord of this city, was married to Mr. J. W. Stowe, of Clarksville, Wednesday.

The event occurred at the residence of Mr. James P. Roper, uncle of the bride, in Nashville.

The couple was accompanied by Miss Maud Cansler, of this city, and Mr. Fraser Williams, of Lafayette.

The groom is a son of Mr. G. Howard Stowe, of Julien, and is a rising young business man who enjoys a wide popularity.

His bride is a young woman of unusual beauty and is one of the brightest and most popular ladies of the city.

Mr. and Mrs. Stowe arrived here Wednesday night to spend a few days with the bride's parents and will go to Clarksville the first of next week, where they will reside.

### Reception Tuesday Afternoon.

Mrs. Thos. D. Armistead gave a delightful reception on the afternoon of July 1st, that was attended by about fifty ladies. Refreshments were served.

### CONGRESS QUIT.

House Members Forget Dignity And Have a High Old Time.

Senate's Last Act Was to Kill An Investigating Resolution.

Washington, July 1.—Amid a scene of enthusiasm that has not been paralleled since the exciting and stirring days of the Spanish war, Speaker Henderson, at 5:30 this afternoon, declared the House of Representatives adjourned without a day. In doing so he said that no House of Representatives since the adoption of the Constitution had done as much work as this one.

The audience to which he made his brief address was a brilliant one. The galleries were banked to the doors and almost two-thirds of the members were in their seats on the floor.

The Speaker's appreciative words to the members in thanking them for their co-operation during the session had touched a responsive cord and they gave him a remarkable demonstration of their friendship and good will. While the cheering and applause were still in progress, the members on the floor began singing "My Country, 'Tis of Thee." It was taken up by the correspondents in the press gallery over the Speaker's chair and by the spectators in the surrounding galleries and soon the vast hall was ringing with the swelling chorus.

Other patriotic airs followed as the members exchanged farewells, "The Star Spangled Banner" alternating with "Dixie."

### SHAKES THE RAFTERS.

The Speaker came down from his rostrum, his appearance on the floor being greeted with "For He's a Jolly Good Fellow," and a perfect rush of members to grasp his hand. Standing in the area in front of the clerk's desk, he, too, joined in the songs, and there was a wild scene when Gen. Hooker, of Mississippi, the one-armed Confederate veteran, took his place by the side of the Speaker and together they sang "Dixie." Mr. Candler, a Mississippi Democrat, jumped upon a desk and gave a yell of jubilation that fairly shook the rafters.

For almost half an hour the jubilation continued. All this time the spectators remained standing in the galleries, watching the animated scene below and joining in the singing.

The adjournment came at the end of a seven and a half hours' session during which much minor business was transacted. In all seventy bills and resolutions were passed.

### IN THE SENATE.

Closing Hours Marked by a Rather Tart Debate.

Washington, July 1.—After a session marked by some of the stormiest debates ever heard in the American Congress, the Senate adjourned sine die at 5:30 this afternoon.

During the last hours of the session there was a tart debate on the question on the part of Messrs. Carmack, of Tennessee, Spooner, of Wisconsin, Culbertson, of Texas, McComas, of Maryland, and Lodge, of Massachusetts.

The conference report on the Philippine government bill was adopted with very little discussion, and then the Senate decks were cleared for adjournment. Mr. Carmack called up his resolution providing for a continuance of the investigation of the Philippine committee and for a visit to the Philippines by the committee during the present summer. This started the trouble and for more than an hour a battle of words was waged. Mr. Spooner delivered a scathing denunciation of the minority of the Philippine committee for what he declared was an attack upon the

Mrs. Moseley had just stepped into a room adjoining the family room, and, as she caught hold of the knob of the door to open it, was struck down. The lightning hit the chimney and darting down a rafter followed the wall to the ground. The building was considerably damaged. Mrs. Moseley was 21 years old and was the oldest daughter of Mr. Crick, with whom she made her home. The other members of Mr. Crick's family, although badly shocked, will recover.
